

International Overdose Awareness Day

light Calvert County purple

Thursday, Aug. 31 has been recognized as International Overdose Awareness Day, a global event to raise awareness that overdose death is preventable and to reduce the stigma associated with drug-related death. The Calvert Alliance Against Substance Abuse (CAASA), Twin Beach Opioid Abuse Awareness Committee and Calvert County Behavioral Health are seeking to bring awareness to this ongoing crisis by lighting Calvert County purple – the awareness color for drug overdose and the opioid crisis – on International Overdose Awareness Day.
